

# Honourable service memorial

Honour those who have served and protected our country with the Honourable Service Memorial. The bronze-coated sculpture includes traditional symbolic items which servicemen use to honour their own. The detailed crafted sculpture includes a helmet, boots and rifle. This cast memorial statue is mounted on top of an elegant rosewood stained base that provides ample space for pictures, military crests and engraved dedications. The attractive black brass plate is laser engraved ensuring detail and quality.

Order as a gift to your family members, friends and relatives who have suffered the loss of a servicemen in times of conflict and for those who want to remember their unselfish time of service..
